

CURRICULUM VITAE

Work Experience

2005 - ongoing:

Assistant Professor

Department of Plant Protection
Faculty of Agrobiolgy, Food and Natural Resources
Czech University of Life Sciences Prague

2005:

Research Worker - Technician

Department of Plant Protection
Faculty of Agrobiolgy, Food and Natural Resources
Czech University of Life Sciences Prague

Education

2002 - 2005:

Doctoral degree (Ph.D.)

Study program: Agricultural and Forestry Phytopathology and Plant Protection

Ph.D. thesis: Determination of A1 and A2 mating types and resistance level to systemic fungicides of *Phytophthora infestans* pathogen populations in the Czech Republic

Department of Plant Protection
Faculty of Agrobiolgy, Food and Natural Resources
Czech University of Life Sciences Prague

1997 - 2002:

Engineer's (Ing.) degree (equivalent to MSc.)

Study program: Plant Protection

Diploma thesis: Study of A1 and A2 mating types of *Phytophthora infestans* pathogen in the Czech Republic

Faculty of Agronomy
Czech University of Life Sciences Prague

Activities and responsibilities:

Bc. and MSc. student supervising, teaching and research

General Phytopathology, Phytopathological General and Systematic Mycology

Plant pathogenic fungi isolation and determination

Plant pathogens and parasites detection and determination using molecular biology techniques

Memberships in scientific societies:

Czech Society for Plant Pathology

Czech Phytomedical Society

International Society for Plant Pathology

European Foundation for Plant Pathology

Nematological Society of Southern Africa
